John Munnelly (Songwriter performer) and Nanette Deasy (IRTE/Improv) were both born of dual Mayo parents and were delighted and surprised to find that their Dad's were in school together. Making them unofficial Mayo cousins.

"My Dad said he was in school with your Dad"

The Marvelous Mrs McCluskey is about an unfulfilled single parent, Ernestine McCluskey who goes out into the world with her clown nemesis, Pound Foolish, to see what other people are doing. Mrs McCluskey is forced to make a decision.

Songwriter John Munnelly AKA Hattwood Hot Sauce AKA LaughJohnLaugh or whatever he is calling himself these days is invited along to perform his super sing-along-able original songs.

"your music and singing was beautiful."

"He [John] brings humor, intelligence and soul to folk music"

"Grin inducing & hilarious"
